#### A PERSONAL LETTER

Dear Madam or Sir:

"Checkers" is coming to the Tabb Cheatre next Monday, February 23.

This is some news to announce, "Checkers" is the most successful racing melodrama of the last twentyfive years on the American stage. Its situations are thrilling and its humor and sentiment have kept millions on the edge of their seats 'twixt laughter and tears.

Now it has been done as a big special film production by William Fox. I've seen it and I know that the screen version not only equals, but excels the stage version. It has all the drama, all the humor and all the love interest, with plenty of thrills as these can be produced only on the screen and staged only by a director like Richard Stanton. The exciting horse race scenes, the train wreck, the fight in the box car, the encounters in Chinatown and the aeroplane flights will hold you spellbound. The beautiful love scenes will enchant you.

You'll enjoy the cast. There are Tom Carrigan as "Checkers" and lovely Jean Acker as Pert Barlow. Then there are Ellen Cassity, Peggy Worth, Robert Elliott, Tammany Young, Bertram Marburgh and Ed. Sedgwick.

I'll send you a postal card later, that you may not overlook the dates, for I'll promise you that you'll enjoy "Checkers" more than any other feature you've seen in a long, long time. Yours for the best pictures,

W. B. Small, Manager.
